Sponsorship Form
Student Television Network Convention 2019

I will be participating as part of a select group of students from Dallastown High School in the 2019 STN Convention. The Convention will be held March 26 to April 1, 2019 in Seattle, Washington. Over 3,000 students from all over the United States will be competing, learning and sharing stories. This is a tremendous opportunity for me to gain valuable experience in the competitive career field of video production. The trip will also afford me the opportunity to meet and learn with people outside my own geographic region.

This opportunity comes with a cost. Hard work, commitment, discipline and financial expense are all a part of this trip. I'm dedicated to myself and to my video production club to do my part. It is my hope that you may be willing to assist me in securing the funds to cover the convention fees, housing, and other travel expenses. Any financial assistance would be greatly appreciated.
You can read more about the event at the STN web site: www.studenttelevision.com
