- STN Challenges

The Video Production Club is off to a great start! 32 of 42 club members participated in the Halloween themed music video contest, ScreamFest, after school Wednesday, 10/6. Teams were assigned a song and given 2 hours to complete production (filming) and 2 hours for post-production (editing). In the end, all 7 teams met the contest deadline and created fantastic videos. STN CONVENTION

The STN National Convention is set for February 18–21, 2022 in Long Beach, CA. We are waiting for the school board's decision on out of state travel. More details will be available ASAP.

STN CHALLENGES

This weekend 3 teams will put their skills to the test, as they race against the clock to create a completed video from start to finish using the given prompt. This is a national contest against some of the best broadcast and film students in the country.
